Proceedings recorded by machine shorthand, transcript produced
with computer-aided transcription (CAT)

1 Q And what is your salary with Intrado?

2 A Right now my salary is a little over \$104,000 a year.

3 Q What was it at the time that you started?

4 A I started it was a little over \$95,000 a year.

5 Q Mr. Moffett, did you have plans as to how long you were
6 going to work?

7 A Yes, I expect I will be working into my 70s. My wife and
8 I -- we have a 22-month-old son. We hope to have more
9 children. So starting a family a little late in life, I plan
10 on working a bit longer.

11 Q I would ask that you look at what we've marked as -- well,
12 first before that, while you were at Intrado, was there any
13 effect that your termination has on your work there?

14 A Yes, there is. When -- part of my job as information
15 security manager is when anyone is terminated, when anyone is
16 terminated, I get a page on my pager and I have to take
17 immediate action to suspend that person's account to take them
18 off the network for security purposes. At times I'm also
19 required to accompany security to escort these people from the
20 building, and every time that happens I relive my own
21 experience of being terminated and the humiliation of being
22 escorted in front of the people you work with, escorted out of
23 the building. So that's the continuing issue.

24 Q Mr. Moffett, could you please review in front of you what
25 has been marked as Plaintiff's Exhibit 108?
